Company: Logistics Company

Location: Turkey

Category: other-general

At Logistics Company (Permanent), in Portugal

Salary: €35.000 - €55.000

Expires at: 2025-03-28

Remote policy: Full remote

We are a leading logistics company dedicated to providing efficient and reliable supply chain solutions to our clients worldwide. With a focus on innovation and technology, we are seeking a talented ABAP Developer to join our team and contribute to the development and maintenance of custom solutions within our SAP environment.

### **Responsibilities:**

Design, develop, and implement high-quality ABAP programs and enhancements to business requirements.

Collaborate with functional teams to understand and translate business requirements into technical solutions.

Perform unit testing and support integration and user acceptance testing for ABAP programs.

Troubleshoot and resolve issues related to SAP ABAP programs and interfaces.

Stay current with SAP technologies and industry best practices.

### **Main requirements**

Bachelor's degree in Computer Science, Information Technology, or a related field.

At least 3 years of experience as an SAP ABAP Developer or in a similar role.

Proficient in ABAP programming language and SAP development tools.

Strong understanding of SAP business processes and data structures.

Knowledge of SAP Fiori, SAP HANA, or other relevant technologies is a plus.

Excellent problem-solving and analytical skills.

Strong communication and collaboration skills.

### **Benefits & Perks**

Highly competitive salary and comprehensive benefits package.

Flexible working hours

Collaborative and inclusive work environment that values creativity and innovation.

Opportunities for professional growth and career advancement within a rapidly expanding organization.

Work-life balance and a supportive culture that values your personal well-being.

Regular team events, social activities, and celebrations.
