Description

WHO ARE WE LOOKING FOR

We are seeking a proactive, highly motivated, and driven **SAP ABAP Developer with Java** expertise to join our dynamic team. The ideal candidate will play a crucial role in our projects, contributing to the development and maintenance of our client's products. If you thrive in a challenging environment, possess a passion for technology, and enjoy collaborating with cross-functional teams, we want to hear from you.

SEE YOURSELF IN THIS ROLE

As a Developer specializing in ABAP and Java, you will be a key player in our project, responsible for the seamless development and maintenance of our client's products. Your role will involve translating business requirements into technical solutions, participating in the design and implementation of new functionalities, and troubleshooting technical issues. Your contribution will be vital to ensuring the smooth operation and continuous improvement of our client's systems.

What Youll Do

Undertake ABAP and Java development tasks

Collaborate with cross-functional teams to understand business requirements and translate them into technical solutions

Participate in the design, development, and implementation of new functionalities

Troubleshoot technical issues and provide effective resolutions

Conduct system testing and assist with quality assurance activities

Contribute to the documentation of processes and procedures

Maintain and enhance existing SAP systems through regular updates and patches

What You Have

Strong experience in SAP ABAP development

Proficiency in Java programming

Knowledge of SAP modules and integration concepts

Understanding of DevOps principles and experience in related tools

Ability to work independently and in a team environment

Good problem-solving and analytical skills

Excellent communication and interpersonal abilities

We Offer

Build a global career with international projects and clients

Stay ahead in your career by working with diverse and cutting-edge technologies

Remote & flexible working schedule

Competitive compensation in USD, regular assessments, and salary reviews

Private Health Insurance: Unlimited usage with 80% coverage

Meal Allowance

Extensive Annual Leave Policy including extra workday-annual leaves granted for the first year

Referral program: cash bonus for each successful recommendation

Relocation opportunities within our offices in 50+ countries

Amazing learning and development opportunities: Hard & soft skills internal training courses, mentoring programs, and free access to over 2, in-house courses and over 18, on LinkedIn learning
