

Turkey Jobs Expertini®

SAP ABAP Engineer (FI-CA, FI-CI)

[Apply Now](#)

Company: Epam

Location: Turkey

Category: other-general

Description

Looking for an opportunity to transform leading companies needs into excellent engineering solutions and drive innovation? Take your holistic expertise in ABAP application development and join EPAM SAP Practice uniting 2,+ diverse professionals in 30+ countries. We are looking for a passionate **Engineer with FICA/CI** knowledge for our global retailer clients BRIM project. In this role, you will be responsible for continuously improving the SAP systems processes and code to better support the business.

Take the freedom to work remotely from anywhere across the country or meet with teammates in our office.

What Youll Do

Implement change requests and fix bugs in the BRIM area

Contribute to the development of special ABAP requirements

Assist functional stakeholders in error or process analysis such as debugging

Participate in BRIM projects as a developer

Help the team in monitoring FICA/CI activities

Support functional stakeholders on standalone tasks such as building queries to foster data

What You Have

Proficiency in SAP S4 / HANA environments

Expert knowledge in ABAP Object Oriented

Solid technical experience in FICA/CI

Understanding of security, efficient code reuse and software design

Fluency in English (B2 and above), both written and verbal

Nice to have

Knowledge of AIF

Skills in SAP ALE and Idocs

Understanding of BRF+

Experience in SAP O-Data, REST

We Offer

Build a global career with international projects and clients

Stay ahead in your career by working with diverse and cutting-edge technologies

Remote & flexible working schedule

Competitive compensation in USD, regular assessments, and salary reviews

Private Health Insurance: Unlimited usage with 80% coverage

Meal Allowance

Extensive Annual Leave Policy including extra workday-annual leaves granted for the first year

Referral program: cash bonus for each successful recommendation

Relocation opportunities within our offices in 50+ countries

Amazing learning and development opportunities: Hard & soft skills internal training courses, mentoring programs, and free access to over 2, in-house courses and over 18, on LinkedIn learning
