We are a leading Food & Beverage company dedicated to delivering high-quality culinary products to our customers. With a focus on innovation and efficiency, we are seeking a talented SAP PI/PO Developer to join our team and enhance our integration capabilities using SAP PI/PO solutions.

Responsibilities:

Design and develop integration scenarios using SAP PI/PO to enable seamless communication between different SAP and non-SAP systems.

Collaborate with business analysts and technical teams to understand integration requirements and translate them into effective SAP PI/PO solutions.

Configure and customize SAP PI/PO adapters, mappings, and routing rules to ensure smooth data flow between systems.

Develop and optimize SAP PI/PO interfaces for efficient data transmission and error handling.

Conduct unit testing, integration testing, and support user acceptance testing for SAP PI/PO integration scenarios.

Provide ongoing support and troubleshooting for SAP PI/PO interfaces.

Stay current with the latest SAP PI/PO technologies and best practices.

Document integration designs, configurations, and support procedures.

Main requirements

Bachelor's degree in Computer Science, Information Technology, or a related field.

At least 3 years of experience as an SAP PI/PO Developer or in a similar role.

Proficient in SAP PI/PO development, including configuration, mapping, and adapter usage.

Experience with various PI/PO adapters (IDoc, RFC, SOAP, REST, etc.) and their configuration.

Strong understanding of integration concepts and methodologies.

Knowledge of SAP ABAP and Java programming languages for custom development within SAP PI/PO.

Excellent problem-solving and analytical skills.

Strong communication and collaboration skills.

Benefits & Perks

Highly competitive salary and comprehensive benefits package.

Flexible working hours

Collaborative and inclusive work environment that values creativity and innovation.

Opportunities for professional growth and career advancement within a rapidly expanding organization.

Work-life balance and a supportive culture that values your personal well-being.

Regular team events, social activities, and celebrations.
