

Scheduling Engineer - (Saudi Arabia)

[Apply Now](#)

Company: Eram Talent

Location: İstanbul

Category: other-general

Eram Talent, a talent acquisition consultancy specializing in the Oil & Energy industry, is seeking a highly skilled Scheduling Engineer to join their team in Saudi Arabia. As a Scheduling Engineer, you will be responsible for developing and managing project schedules, coordinating with project managers, and ensuring timely project delivery. Eram Talent is dedicated to providing exceptional recruitment services and connecting top talent with leading companies in the industry.

Responsibilities

Develop and manage project schedules using scheduling software such as Primavera P6 or Microsoft Project

Coordinate with project managers to ensure alignment with project objectives and deadlines

Monitor project progress and identify potential delays or issues

Analyze schedule performance and recommend corrective actions as needed

Prepare regular project status reports and updates

Collaborate with cross-functional teams to optimize project schedules and resources

Maintain accurate documentation of scheduling activities and changes

Requirements

Bachelor's degree in engineering, construction management, or related field

Minimum of 7 years of experience in project scheduling within the oil and gas or energy industry

Proficiency in scheduling software such as Primavera P6 or Microsoft Project

Strong analytical and problem-solving skills

Excellent communication and interpersonal skills

Ability to work in a fast-paced, deadline-driven environment

Knowledge of project management methodologies and best practices

Benefits
