About Us Schneider's purpose is to empower all to make the most of our energy and resources, bridging progress and sustainability for all. At Schneider, we call this Life Is On. We believe access to energy and digital is a basic human right. Our generation is facing a tectonic shift in energy transition and industrial revolution catalyzed by accelerated digitization in a more electric world. Electricity is the most efficient and best vector for decarbonization; combined with circular economy approach, we will achieve climate-positive impact as part of the United Nations Sustainable Development Goals. We are the most local of global companies; our unmatched proximity to you, enables us to better understand, anticipate and adapt with agility to support

your business continuity with high ethical standards in everything we do. In Schneider Electric, we empower everyone to make the most of our energy and resources, ensuring Life is On everywhere, for everyone, at every moment. Along the way, we create and provide equal opportunities for everyone, everywhere. We continuously create an inclusive environment and welcome people from all walks of life. Schedule: Full-time Req: V52
