Senior Data Engineer/Machine Learning Engineer (Hybrid)

Apply Now

Company: Orion Innovation

Location: Istanbul

Category: other-general

Orion Innovation is a premier, award-winning, global business and technology services firm. Orion delivers game-changing business transformation and product development rooted in digital strategy, experience design, and engineering, with a unique combination of agility, scale, and maturity. We work with a wide range of clients across many industries including financial services, professional services, telecommunications and media, consumer products, automotive, industrial automation, professional sports and entertainment, life sciences, ecommerce, and education.

Proven experience in machine learning engineering, data engineering and data science with skills/experience in the following subject areas and technologies:

Machine Learning Concepts and Frameworks:

5+ years experience

Data cleaning, normalization, and validation

Model training and classification

Neural networks, image recognition (CNN)

LLM for named entity extraction

Data Engineering / Data Science:

Python, Pandas, Airflow, PostgreSQL, Docker, AWS, ETL concepts, scripting with BASH, command line, POSIX

GIS: PostGIS, ESRI Standards (shapefile manipulation), Shapely, Geopandas, Mapbox, tileserver-gl, familiarity with GIS and Geospatial concepts

Outdoors / Hunting / Maps: Be familiar with online mapping for outdoor activities. Familiarity domain specific concepts, e.g., platforms like Strava, Garmin, GAIA, AllTrails, etc.

Project focus would be on developing tools to build and improve existing machine learning models, including systems for data extraction using LLM, image classification for outdoor imagery, and improving our existing GIS data pipeline. This includes focused work on researching and curating hunting lands across North America by state/province, running updates to existing datasets, and debugging issues that arise in the process.

Candidate Privacy Policy

Orion Systems Integrators, LLC and its subsidiaries and its affiliates (collectively, "Orion," "we" or "us") are committed to protecting your privacy. This ("Notice") explains:

What information we collect during our application and recruitment process and why we collect it;

How we handle that information; and

How to access and update that information.

Your use of Orion services is governed by any applicable terms in this notice and our general .
