## Solution Architect

[Apply Now](#)

Company: Vodafone

Location: Istanbul

Category: other-general

Your dream job does exist.

Discover it at Vodafone!

Join our journey as we connect for a better future. Ready?

We are looking for a **Solution Architect on Integration, Order and Product Solutions Team**.

First things first: Our Brand.

Here are the key behaviours that help us bring our Spirit and Purpose to life:

Earn customer loyalty: Small things do matter.

Experiment, learn fast: Just take the chance.

Create the future: That s possible.

Get it done, together: It s up to each of us to make it happen.

Here, everyone can feel free to be themselves and express their ideas.

We are proud to have the most flexible #hybrid way of working in Turkey.

Together with your team, you can decide which days to come to the office depending on your work requirements.

Another favorite: Meeting-free afternoons! Every Friday, arrival of the noon means we can start to take it easy: spend time working on our personal development or catching up with our team. We call this #CumaKafas (Friday mood :)).

And yes we are Agile! The world is constantly changing. And we cannot afford not to! Our journey began by simplifying our organizational model and transforming into a more agile structure that now we use extensively, especially in our development processes.

### **Why is this role really critical to us?**

- Responsible from overall integrity and quality of the products & solutions in Integration, Order and Product Solutions domain.
- Responsible from target architecture & architecture roadmap of domain projects and products
- Accountable for the high level design of assigned projects by acting as the design authority for his/her domain.
- Work closely with Solution Designers to support and provide technical consultancy for the detailed technical design phase.
- Lead feasibility and technical design when necessary to deliver company-wide technical solution with effective management of processes and in line with agreed budgets

### **How will you spend your time at Vodafone?**
