Solutions Engineer

[Apply Now](#)

Company: DP World Australia

Location: Turkey

Category: other-general

We are looking for Solutions Engineer to join our team in **Turkey (remote)**. In this role, you are responsible for the designing and implementing solution engineering projects of all sizes within the region, supporting new business and contract renewals for a specific industry vertical.

Your responsibilities:

Works on customer-specific solution engineering projects and best-in-class response to customer requests for quotation, contract renewals, requests for information and operational scope changes requiring the services of regional solutions engineering.

Works closely with Sales, Launch, Operational teams and other functional stakeholders to develop and implement solutions to meet the requirements of new and existing business.

Adheres to standardized work instructions and guidelines within the work area and contributes to their development.

Collects all relevant data to support resource and space allocation to the pricing structure and present in a format in line with the overall DP world process.

Manage the project engineering equipment budget and report ongoing status to Project Manager and Launch team.

Obtain quotes in conjunction with procurement, and manage contractors working on various installation and facility construction.

Your Profile:

Bachelor's or master's Degree in Industrial Engineering, Logistics, Supply Chain or related fields with a background in engineering redesign

A minimum of 2-4 years of relevant work experience in related vertical (Tech, Industrial, All Other; Automotive; Chemicals) engineering

Experience in process planning, RFQ engineering, project management and Material Handling Equipment (MHE) calculations. MTM/MOST certification

Experience in warehouse design/operations and installing capital equipment.

Knowledge of supply chain activities, integrated logistics, and quality systems best practices.

Fluent English and Turkish language skills

Compensation

DP World offers exciting and challenging roles within a growing international organization. We strive to hire and develop the right people, locally and globally, stimulating personal growth and self-development within an informal atmosphere. We offer a market competitive compensation package.

About DP World

Trade is the lifeblood of the global economy, creating opportunities and improving the quality of life for people around the world. DP World exists to make the world's trade flow better, changing what's possible for the customers and communities we serve globally. With a dedicated, diverse and professional team of more than 103,000 employees spanning 75 countries on six continents, DP World is pushing trade further and faster towards a seamless supply chain that's fit for the future.

We're rapidly transforming and integrating our businesses -- Ports and Terminals, Marine Services, Logistics and Technology – and uniting our global infrastructure with local expertise to create stronger, more efficient end-to-end supply chain solutions that can change the way the world trades. The DP World family comprises of Syncreon, Imperial and P&O.

What's more, we're reshaping the future by investing in innovation. From intelligent delivery systems to automated warehouse stacking, we're at the cutting edge of disruptive technology, pushing the sector towards better ways to trade, minimising disruptions from the factory floor to the customer's door.

WE MAKE TRADE FLOW

TO CHANGE WHAT'S POSSIBLE FOR EVERYONE

DP World is committed to the principles of Equal Employment Opportunity (EEO). We strongly believe that employing a diverse workforce is central to our success and we make recruiting decisions based on your experience and skills. We believe that employees are happiest when they're empowered to be their true, authentic selves.

So, please come as you are. We can't wait to meet you.
