

Turkey Jobs Expertini®

Sr. Mobile Full-Stack Developer (Hybrid)

[Apply Now](#)

Company: Massive Bio, Inc.

Location: Kadıköy

Category: other-general

Massive Bio is a rapidly growing health-tech startup founded in 2015 to provide every cancer patient with access to clinical trials regardless of their location or financial stability. Our proprietary patient recruitment and enrollment enablement solution for oncology clinical trials solves every point of friction in traditional clinical trial enrollment. Privately held and headquartered in NY City, our passionate changemaker team is looking for a Senior Full-Stack Mobile Developer. As a key member of our Software Development Team, you will be joining our team in Istanbul, Turkey and your responsibilities will include development and maintenance of our mobile applications, ensuring their seamless functionality and user experience. Lead the end-to-end development and maintenance of our mobile applications, overseeing all stages of the software development lifecycle. Reporting to the Software Development Manager, you will:

- Development:** Develop and support software including mobile applications, database integration, mobile interfaces, and new functionality enhancements.
- Quality:** Develop high-performance, reliable, and maintainable code.
- Customer focus:** Build software with a strong customer focus and collaborate closely with your peers from product, backend, business intelligence, and quality assurance.

Candidate Profile: Min. 5 years of experience in PHP Laravel Framework and RESTful web APIs. Min. 2 years of experience in MySQL database. Min 2 years of experience in React Native. Experience with cloud providers such as Azure, and AWS is a bonus. Experience with Jira, and Agile for development processes, Git, and continuous integration. Bachelor's degree required, engineering is preferred or a related field. Proven results influencing stakeholders and displaying improvements. Ability to translate complex problems and ideas into easily

understood descriptions. Ability to work independently, self-starter, can-do attitude, ability to multitask and prioritize. Experience in healthcare technology is a bonus. High level of speaking proficiency in English to be part of international calls when needed. Living in Istanbul preferably on Asian side. The work location is Kozyatagi, Istanbul; at least 2/3 days a week at the office. No military obligation for candidates. Powered by JazzHR
