Supplier Developer / Buyer

AsstrA is an ambitious team of 27 countries. More than 1,300 employees work in Europe, CIS countries, Asia and the USA. For more than 25 years, AsstrA has been offering a full range of transport and logistics services: road, sea, rail, air and intermodal transportation, customs services, cargo insurance, etc. With the rapid development of the business and the opening of new offices in Europe and Asia, we offer you excellent opportunities to build a successful career, improve or acquire new logistics competencies.

Responsibilities:

Procuring transport capacity for business needs. Including for projects

Searching and engaging of new suppliers through different tools

Building/maintaining effective relations with suppliers

Negotiations with suppliers to achieve the best possible purchase

Create, maintain and development of a supplier data base

Quality control of supplier services

Continuous improvement of forms and methods of working with suppliers

Purchases for freight forwarding services

The process of maintaining contracts

Transfer of potential suppliers for forwarding services to real suppliers

Skills/Qualifications:

Relevant experience (1 years)

Bachelor's degree

Language – Turkish native, English fluent, Russian will be an advantage

Confident knowledge of PC (MS Office): Power Point, Excel

Good level of negotiation and presentation skills

Self-motivation and energy

Result-oriented mindset

Knowledge of procurement methodology

What We Offer:

A central and peaceful location in World Trading Center, Istanbul/Yenibosna

Opportunity to join a fastly growing organization where you can enrich your career and improve your skills

Modern, transparent and responsive management

The chance to grow and develop together (online professional courses/language courses)

Other regular benefits, including health insurance, transportation, etc.

“Birthday Party” – extra day off

Referral program Refer a friend” and Idea contest.

Swiss vacations for Best employees
