Turkey Jobs Expertini®

Supply Chain Business Analyst & Systems Development Executive

Apply Now

Company: Gorillas

Location: İstanbul

Category: other-general

Were Getir, the pioneers of super fast delivery. Our founding idea: Groceries in minutes, delivered to your door through our app. Now offering more delivery models across different locations, our goals are made possible by our one-of-a-kind business model with our unique technology at its core.

We know that our global ambitions can only be accomplished with exceptional people, and that is where you come in. Our rapidly growing environment is the perfect opportunity to take initiative and create your legacy.

What Youll Be Doing?

Lead the identification, documentation, and analysis of current business processes across the supply chain. Collaborate with cross-functional teams to create process maps that highlight pain points, inefficiencies, and opportunities for enhancement.

Lead and drive process transformation initiatives that result in improved efficiency, cost savings and enhanced customer experiences.

Work with the supply chain teams, 3rd party operation and technology teams to develop and implement Getir Supply Chain digital supply chain transformation.

Identify technology solutions that align with process improvements. Collaborate with the tech teams to implement and integrate systems that enhance process efficiency and data-driven decision-making.

Develop change management plans to ensure a smooth transition to new processes.

Conducting cost/benefit analyses for proposed tech projects/products

What Youll Bring?

Bachelors degree in Engineering

ERP Experience (SAP strongly preferred)

Warehouse Management Systems (WMS) experience

2-3 years of supply chain experience

Digital supply chain experience

Good command of both written and spoken English

Resilience

Experience in Retail, FMCG or e-commerce industries

Project Management Experience

Amazing social skills. Youll be a part of a really cool team

Communication skills. You definitely need them when you do presentations. And when you know, communicating with other humans

Strong analytical skills

Willingness to learn
