Title:

UABOS Turkey LN: Freight Handler/Driver

Program Summary

KBR will sustain the operational well-being of U.S. armed forces at Morón Air Base (Spain), Incirlik Air Base, Izmir Air Station, and various facilities in Turkey. Our services encompass program management, civil engineering, morale and recreation support, postal operations, safety services, logistics, and more. With a five-year base period and three one-year options, KBR ensures these bases operate smoothly, allowing deployed personnel to focus on mission execution.

Job Summary

We are seeking a reliable and skilled Freight Handler/Driver to join our dynamic logistics team. The ideal candidate will be responsible for efficiently and safely handling, transporting, and delivering freight to various destinations. Skilled in working set schedules, hours, and under various weather constraints, the Freight Handler/Driver will ensure timely deliveries regardless of environmental challenges. Capable of working well in a team and independently, they will collaborate effectively with colleagues while also demonstrating autonomy when required. Strong attention to detail is essential for ensuring accurate paperwork completion and safe freight handling practices. With excellent time management skills, the Freight Handler/Driver will meet delivery deadlines and optimize route efficiency. Additionally, good verbal and written communication skills are crucial for interactions with customers and team members. Safety is paramount, and the ideal candidate will exhibit a

commitment to adhering to safety protocols and regulations. Flexibility is key, as the role may require a willingness to work flexible hours, including evenings and weekends, to meet the demands of the logistics operation and ensure high levels of customer satisfaction. If you possess these qualities and are eager to contribute to our team, we encourage you to apply today and be a vital part of our logistics operation.
