Company: KBR

Location: Sarıçam

Category: other-general

Title:

UABOS Turkey LN: Wastewater Treatment Plant Laborer

Program Summary

KBR supports the operational needs of U.S. armed forces at Morón Air Base in Spain and several bases in Turkey. Our services ensure smooth operations, allowing Air Force and government personnel to focus on their missions. We provide program management, civil engineering, morale, welfare, and recreation support, among other essential services.

Awarded by the Air Force Installation Contracting Center, our contract spans a five-year base period with three one-year options, reflecting our commitment to excellence and operational support.

Job Summary

The Wastewater Plant Laborer is responsible for the routine maintenance and operation of wastewater treatment facilities. They play a crucial role in ensuring the safety and quality of the water supply. Their duties typically include monitoring plant operations, maintaining equipment, and ensuring the facility complies with environmental and safety regulations.

Roles and Responsibilities

Monitor plant operations and check the functionality of equipment and instruments.

Perform basic maintenance on pumps, valves, and other plant equipment.

Assist with the installation and repair of water supply lines and equipment.

Collect water samples for testing to ensure compliance with health and safety standards.

Record data related to water quality and plant operations.

Follow established safety procedures and protocols.

Ability to perform physical labor and lift heavy objects.

Availability to work in various weather conditions and shift patterns including nights and weekends

Good communication skills for coordinating with team members and reporting to supervisors.

Basic computer literacy for recording data and generating reports.

A commitment to safety and environmental standards.

Basic Qualifications

Turkish Citizenship

High school diploma or equivalent

Fulfilled Turkish Military obligation (male candidates)

Must have valid driver license (minimum Class B).

Experience in a similar role or willingness to undergo on-the-job training.

Basic understanding of mechanical equipment and tools.

Preferred Qualifications

Wastewater Plant Operator certifications

KBR Benefits

We support career advancement through professional training and development.

Inclusion and Diversity at KBR

At KBR, we are passionate about our people, sustainability, and our Zero Harm culture.

These inform all that we do and are at the heart of our commitment to, and ongoing journey toward being a more inclusive and diverse company. That commitment is central to our team of team's philosophy and fosters an environment of real collaboration across cultures and locations. Our individual differences and perspectives bring enhanced value to our teams and help us develop solutions for the most challenging problems. We understand that

by embracing those differences and working together, we are more innovative, more resilient.
