Job description

We are seeking a talented and **experienced UI/UX Team Lead** to join our team. As the UI/UX Team Lead, you will be responsible for leading a team of designers and driving the user interface and user experience design process. This is a full-time remote position, allowing you to work from anywhere.

Responsibilities:

Lead and mentor a team of UI/UX designers, providing guidance and support in their professional development.

Collaborate with cross-functional teams to understand business requirements and translate them into user-centered design solutions.

Oversee the end-to-end design process, from concept to delivery, ensuring high-quality and impactful user experiences.

Conduct user research, usability testing, and gather feedback to inform design decisions.

Stay updated on industry trends and best practices in UI/UX design, and implement them within the team.

Requirements:

Minimum of 6 years of experience in UI/UX design, with a strong portfolio

showcasing your work.

Proven experience in leading and managing a team of UI/UX designers.

Proficiency in design tools such as Adobe XD, Sketch, Figma, or similar.

Strong understanding of user-centered design principles and best practices.

Excellent communication and collaboration skills, with the ability to work effectively in a remote environment.

Benefits:

Competitive salary and benefits package.

Full-time remote work, providing flexibility and work-life balance.

Opportunity to work with a talented and diverse team on exciting projects.

If you meet the requirements and are passionate about leading a team to create exceptional user experiences, we would love to hear from you. **Please submit your resume and portfolio for consideration.**
