Company: Rapsodo

Location: İzmir

Category: other-general

Rapsodo Inc. is a sports analytics company that uses computer vision and machine learning to help all athletes maximize their performance. Our proprietary technology applications range from helping PGA Tour golfers optimize their launch conditions to allowing MLB pitchers to increase the efficiency of their breaking balls. Current partners include all 30 MLB teams, MLB, USA Baseball, Golf Digest, PGA of America, and over 1000 NCAA athletic departments. The Unity Department is dedicated to designing and developing captivating games and simulations using Unity along with Rapsodo's cutting-edge devices. We foster a creative and collaborative work environment, where innovation and learning are paramount. We are continuously looking for driven team players who will stop at nothing to deliver state-of-the-art solutions as part of Team Rapsodo.

### Responsibilities

Create and optimize visual elements in games or applications using Unity's powerful graphics engine.

Develop physics and animation to make player characters, objects, or environments physically interactive and animated.

Program game mechanics, AI, and other features using programming languages like C# or UnityScript.

Manage and store data used in the game, enabling access to databases or servers.

Handle debugging processes for the game or application, identifying and resolving issues.

Optimize graphics, code, and resource usage to enhance game performance.

Work on cross-platform development, leveraging Unity for multiple platforms, including iOS, Android, PC, and consoles.

## Requirements

Bachelor's degree in Fine Arts, Animation, or a related field.

Proven experience in 3D modeling, texturing, and animation for games and simulations.

Proficiency in 3D modeling software such as Blender, Maya, or 3ds Max.

Strong skills in texture mapping, lighting, and shading.

Familiarity with Unity and its asset integration.

Excellent problem-solving and creative thinking skills.

Strong communication and teamwork skills.

If you think you have what it takes and look forward to working independently as well as contribute in an innovative, passionate and driven environment, apply now!
