Company: Rapsodo

Location: İzmir

Category: other-general

Rapsodo Inc. is a sports analytics company that uses computer vision and machine learning to help all athletes maximize their performance. Our proprietary technology applications range from helping PGA Tour golfers optimize their launch conditions to allowing MLB pitchers to increase the efficiency of their breaking balls. Current partners include all 30 MLB teams, MLB, USA Baseball, Golf Digest, PGA of America, and over 1000 NCAA athletic departments. The Unity Department is dedicated to designing and developing captivating games and simulations using Unity along with Rapsodo's cutting-edge devices. As the Unity Team Lead, you will play a pivotal role in guiding a team of developers to work on simulation and gaming projects using Unity. Your responsibilities will encompass designing, developing, and maintaining engaging and realistic gaming experiences while addressing our simulation needs. You will also serve as a mentor and support system for the team, ensuring their growth and success in delivering high-quality projects.

We are innovative, focused, and rapidly growing. We are continuously looking for driven team players who will stop at nothing to deliver state-of-the-art solutions as part of Team Rapsodo.

Responsibilities

Directing and leading the Unity team based on technical requirements

Ensuring coordination with various technical teams and business units

Proper and timely execution of project plans for simulation and game projects

Overseeing knowledge sharing and code review processes within the team

Requirements

Bachelor's degree in Computer Science, Software Engineering, or a related field.

Proven experience as a Unity developer with 6 years of experience in game and simulation development.

Previous experience in a leadership or mentoring role is a strong asset.

Strong proficiency in C# and Unity.

Excellent problem-solving and critical-thinking skills.

Ability to work collaboratively in a dynamic team environment.

Exceptional communication and interpersonal skills.

If you think you have what it takes and look forward to working independently as well as contribute in an innovative, passionate and driven environment, apply now!
