VP of Finance

[Apply Now](#)

Company: Michael Page

Location: İstanbul

Category: other-general

Serve as the senior financial decision-maker, providing strategic financial guidance and leadership to the company. Oversee the company's finance, controlling, audit and accounting teams.

Financial Planning, Reporting and Analysis: Oversee the financial planning process, including long-term financial strategy, budgeting, and forecasting. Ensure accurate and timely financial reporting in accordance with GAAP, IFRS, or other relevant financial reporting standards. Analyze financial data to identify trends, evaluate business performance, and assist in strategic decision making.

Debt Management: Oversee the strategic management and structuring of the company's debt portfolio and engagement with key stakeholders like commercial and development banks, capital markets funds and impact lenders. Lead the company's pioneering asset-backed securitization and bond issuance programs while collaborating with credit rating agencies and financial advisors.

Investor Relations: Communicate with shareholders, investors, and analysts, providing them with timely and accurate financial information. This includes presenting at investor meetings, board calls, and other investor events.

Cash Management and Liquidity: Manage the company's cash flow and liquidity, ensuring that the organization has the resources needed to meet its obligations and invest in growth opportunities.

Risk Management: Identify financial risks and implement risk management strategies to protect the company's assets and financial health.

Internal Controls and Audit: Oversee internal audit function and ensure the integrity of financial transactions and reporting. Manage relationships with external auditors and ensure compliance with audit requirements.

Tax Strategy and Compliance: Oversee tax planning and compliance, ensuring that the company meets its tax obligations and optimizes its tax position across global operating subsidiaries.
