Welcome Pickups - Partnerships Ambassador

[Apply Now](#)

Company: Welcome Pickups

Location: İstanbul

Category: other-general

The Welcome Pickups Ambassador program is seeking entrepreneurs, consultants, freelancers, and travel professionals who inspire and educate their b2b network and their audience about the benefits of working with Welcome Pickups. The program is free to join and allows you to monetize your network and earn commissions from each new Welcome Pickups partner referral and consecutive trips booked.

Welcome Pickups Ambassadors can generate revenue (cash) for every e-demo they book with a potential Welcome Partner. There is no limit to the number of e-demos an ambassador can book. However, to qualify for the incentive, each e-demo must be successfully completed, and the partner must be in one of the **active Welcome Pickups destinations** and cover the following requirements. Ambassadors can earn more cash when the referred Partner generates Welcome Pickups transfers.

Requirements

Be an individual/freelancer/consultant or travel professional

Have an established network within your area of expertise (within the Travel/Hospitality industry)

Have an experience with Welcome Pickups

Have read and agreed to the Welcome Pickups Ambassador program terms & condition

Being able to be paid with an invoice or gift card

Please click here to read more info about our program.

Benefits

Welcome Pickups Ambassadors receive a variable compensation.

You're eligible to receive a fixed bounty for all qualified e-demos you booked. There is no maximum number of partners you can refer; we want you to earn as much as possible.

Fixed bounty for every valid e-demo booked after the demo is performed

Fixed amount for a successful partner signup, after e-demo

Ongoing payment for every 100x trips generated by the referred partner for the first year

Important Information for Drivers and Fleet Managers.

Please note that this program is not to refer drivers and fleet management companies. If you want to share referrals on those categories, kindly click here to proceed.
